### 8.405-5 Small business.

(a) Although the preference programs of part 19 are not mandatory in this subpart, in accordance with section 1331 of Public Law 111-240 (15 U.S.C. 644(r))—

(1) Ordering activity contracting officers may, at their discretion—

(i) Set aside orders for any of the small business concerns identified in 19.000(a)(3); and

(ii) Set aside BPAs for any of the small business concerns identified in 19.000(a)(3).

(2) When setting aside orders and BPAs—

(i) Follow the ordering procedures for Federal Supply Schedules at 8.405-1, 8.405-2, and 8.405-3; and

(ii) The specific small business program eligibility requirements identified in part 19 apply.

(b) Orders placed against schedule contracts may be credited toward the ordering activity's small business goals. For purposes of reporting an order placed with a small business schedule contractor, an ordering agency may only take credit if the awardee meets a size standard that corresponds to the work performed. Ordering activities should rely on the small business representations made by schedule contractors at the contract level.

(c) Ordering activities may consider socio-economic status when identifying contractor(s) for consideration or competition for award of an order or BPA. At a minimum, ordering activities should consider, if available, at least one small business, veteran-owned small business, service disabled veteran-owned small business, HUBZone small business, women-owned small business, or small disadvantaged business schedule contractor(s). GSA Advantage! and Schedules e-Library at <http://www.gsa.gov/fas> contain information on the small business representations of Schedule contractors.

## 48 CFR Ch. 1 (10-1-14 Edition)

(d) For orders exceeding the micro-purchase threshold, ordering activities should give preference to the items of small business concerns when two or more items at the same delivered price will satisfy the requirement.

(a) *Orders or BPAs exceeding the micro-purchase threshold based on a limited sources justification*—(1) *Circumstances justifying limiting the source.* (i) For a proposed order or BPA with an estimated value exceeding the micro-purchase threshold not placed or established in accordance with the procedures in 8.405-1, 8.405-2, or 8.405-3, the only circumstances that may justify the action are—

(A) An urgent and compelling need exists, and following the procedures would result in unacceptable delays;

(B) Only one source is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized; or

(C) In the interest of economy and efficiency, the new work is a logical follow-on to an original Federal Supply Schedule order provided that the original order was placed in accordance with the applicable Federal Supply Schedule ordering procedures. The original order or BPA must not have been previously issued under sole-source or limited-sources procedures.

(ii) See 8.405-6(c) for the content of the justification for an order or BPA exceeding the simplified acquisition threshold.

(2) *Posting.* (i) Within 14 days after placing an order or establishing a BPA exceeding the simplified acquisition threshold that is supported by a limited-sources justification permitted under any of the circumstances under paragraph (a)(1) of this section, the ordering activity shall—
